

23rd Dec, 2018

Respected Sir/ Ma'am,

We would like to take this opportunity to inform you that we will be taking our **BSc Computing Jan-2019 and Sept-2018 batch** students for “**Orientation-Socialization**” program on **27th & 28th December, 2018 (Thursday and Friday)**. It is a 2-day event and the venue is Royal Beach Camp, Dhading.

The objective of the program is to ensure that all students become familiar to each other and develop a harmonious learning environment, as they have to spend 3 Years together in college. The events for the program consist of various management and team work games such that students get to understand worth of group effort and team values.

The detail schedule of the program is attached with this letter. Please find the attached schedule for detail information of our “Socialization” program.

Similarly, one of our team building games include “**Rafting**”, where students have to work as a team to ensure proper movement of the boat. This is one of the best team building games we have experienced so far.

However, as it is an adventure sport, we have attached “**No Objection Letter**” herewith for **Rafting**. Only those students who have the “**No Objection Letter**” signed by their parents/ guardian will be allowed to participate in **Rafting**.

Please sign the attached “**No Objection Letter**” to ensure your son/daughter participates in **Rafting**, which is the highlight of our event.

Best Regards,

.....
