TAYLOR'S

MBA

MASTER OF BUSINESS ADMINISTRATION

KPT/JPS (R2/0410/7/0007) (MQA/FA4445) 05/29

Our innovative, practical and globally relevant curriculum combines personalised leadership development with a multi-disciplinary approach to strategy. The Taylor's MBA is designed to provide a foundation of business knowledge, insights and skills crucial for achieving success. As we emphasise the development of personal leadership styles, goals, and competencies, the students hone fundamental skills required of top executives: working with management, shareholders and stakeholders, and managing teams and relationships.

THE TAYLOR'S MBA EDGE

What Makes Us Different

► INDUSTRY PRACTITIONER AND ACADEMIC FACULTY

Learn from a mix of industry practitioners and academic leaders, gaining real-world insights and a broad business perspective to tackle today's challenges.

► GLOBAL CONNECTIONS

Join a diverse community of students, faculty, and organisations worldwide. Build international networks and develop the skills to turn change into opportunity.

► LEADERSHIP AND SELF-DEVELOPMENT

Gain strategic insights, sharpen managerial skills, and build confidence to lead teams and implement change effectively.

► REDEFINING CAREER BOUNDARIES

Designed for working professionals, the Taylor's MBA allows you to continue your career while advancing your leadership skills. Connect with alumni and corporate leaders who guide your next career step.

► SELF-DIRECTED LEARNING

Balance work and study with our e-learning platform, featuring ReWIND lectures, e-tutoring, e-submissions, and discussion forums. Learn at your pace, anytime, anywhere.

► CAREER PROGRESSION AND IMPACT

Enhance promotion prospects, broaden career opportunities, and strengthen your long-term professional growth. Invest in yourself and your organisation's future by gaining the latest management knowledge and leadership skills.

PROGRAMME STRUCTURE

This dynamic 2-year MBA program is specifically designed for working professionals seeking to advance their careers. Taylor's MBA blends the latest industry challenges with insights from seasoned experts, ensuring you stay ahead in today's fast-paced business world. The program emphasizes self-development, allowing you to apply new knowledge and skills directly to your current role.

The curriculum consists of 13 core modules and two research projects, including a dedicated module on research methodology. The structure is tailored to equip you with essential managerial and operational skills, focusing on key areas like strategic management, people leadership, financial acumen, and design thinking—skills that are critical for leading in the modern business landscape.
